Literacy for Real: Reading, Thinking, and Learning in the Content Areas (Paperback)

By ReLeah Cossett Lent

Teachers College Press, United States, 2009. Paperback. Book Condition: New. 249 x 175 mm. Language: English . Brand New Book. Written for the busy practitioner by an experienced professional development consultant, writer, and speaker, Literacy for Real is a hands-on guide to meaningful reading across the content areas of math, science, and social studies in grades 6-12. It presents key information that addresses all types of 21st century literacy - visual, digital, and print - in an easy-to-use format. The book centers on classroom practices and strategies for helping students tackle the reading required for subject-area study. Chapters focus on engagement, vocabulary, comprehension, and critical reading, and each includes sample activities as well as a list of resources. Avoiding the one-size-fits-all model, this guide instead offers foundational practices based on what we know about learning. This book features research-based strategies for content-area reading instruction, with a focus on student engagement. It also features online, multimedia texts for today's 21st century classrooms, and interactive lessons that teachers can adapt to their own needs.
