No Fear, Dave is here!!! Junior Year. Some say it is the most important year, others say that it is the year that will kick start the rest of your life into full throttle. Many will intimidate you with their antagonistic perception of the eleventh grade without proper reason, detail, and most of all, insight. In this memoir, follow the junior Dave Stael Lacroix as he embarks on his hardest journey yet-The Eleventh Grade. Observe his trials and triumphs, his pain and his joy. This story provides a detailed account of the ins and outs one must know in order to successfully tackle the strenuous process known as the eleventh grade. As well as a heart-warming story of a junior in high school attempting to find his way, this book includes advice on properly mastering the SAT efficiently, creating resumes, sponsorship letters, and so much more. In short, we are able to gaze into the abyss that Dave coins as the eleventh grade. Junior year is like an abyss, the deeper you look into it, the more it begins to look into you. - Dave Stael Lacroix.
