Voted by the London Times as one of the best writers since 1945, Michael Moorcock has long been considered one of the top names in science fiction and fantasy. Here, Moorcock has personally selected his best published and unpublished essays, articles, reviews, and opinions all uncensored. Covering a wide range of topics including books, films, politics, reminiscences of old friends, and attacks on new foes, this collection is the definitive compilation for any serious fan of Moorcock, or science fiction in general. Drawn from more than 50 years of writing, including Moorcock s most recent work from the Los Angeles Times and the Guardian along with obscure and now unobtainable sources the prose in this compendium showcases Moorcock at his sharpest.
