Principles of Economics (Sixth Edition)

By N. Gregory Mankiw

South Western/Cengage Learning India, 2012. Softcover. Book Condition: New. 5th or later edition. 25 x 20 cm. PRINCIPLES OF ECONOMICS, Sixth Edition, became a best seller after its introduction and continues to be the most popular and widely used text in the economics classroom. Instructors found it the perfect complement to their teaching. A text by a superb writer and economist that stressed the most important concepts without overwhelming students with an excess of detail was a formula that was quickly imitated, but has yet to be matched. The sixth edition features a strong revision of content in all thirty-six chapters. Dozens of new applications emphasize the real-world relevance of economics for today`s students through interesting news articles, realistic case studies, and engaging problems. The premier ancillary package is the most extensive in the industry, using a team of instructors/preparers that have been with the project since the first edition. The text material is again fully integrated into Aplia, the best-selling online homework solution. Contents: PART I: INTRODUCTION. 1. Ten Principles of Economics. 2. Thinking Like an Economist. 3. Interdependence and the Gains from Trade. PART II: HOW MARKETS WORK. 4. The Market Forces of Supply and Demand. 5. Elasticity...
