ONE WOMAN, THREE PRISONS: THE RISE WITHIN THE RANKS JUNE 1966 -JUNE 2000

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 142 pages. Dimensions: 9.0in. x 6.0in. x 0.3in.SEE NEW DEVELOPMENT AS OF MARCH, 2014. The title describes the book well. On the cover, the old tall building on the front is Missouri State Penitentiary (MSP) where the story began. The fence and the red building are of Central Missouri Correctional Center (CMCC) from which the author retired. The back picture is one of the authors beloved Renz Correctional Center (RCC). The cover contains a picture of the author when all was good in corrections. The cover tells the story quickly but the book very clearly describes the rise through the ranks. It has many inmate and staff stories to give more insight to the reader about working in a prison system. Those who think they are not interested in the content will be very surprised to find a complelling and somewhat controversial story inside a world many people have not seen. For those who have hit the glass ceiling, it will be confirmation that they are not alone. It will also show the stigma of being a single mother is not one you have to live with. There are many barriers broken in the story both professional and personal. It shows the discrimination of the 1960s and 1970s and how our country has made some strides. The book is different from many books being written. It is not fiction. It is not a personal biography although personal events are placed in the book. It tells things that society would rather not acknowledge. It is also the personal stuggle of one woman who loved the field of criminal justice and wanted to promote as far as possible. The book is not the end of the story...
