Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Fitzhenry & Whiteside. Paperback / softback. Book Condition: new. BRAND NEW, Opening the Island: Poems by Anne Compton, Anne Compton, >Winner of the 2003 Atlantic Poetry Prize Opening the Island is the highly anticipated first book of poetry by one of Canada's most lyrical voices. Always critical, often iconographic, Anne Compton plumbs the classic themes of life, art, love, and home which are masterfully reshaped into a contemporary landscape rich in colour and folds of metaphor. The result is a rhythm of expression, a texture and critique that weave through the day-to-day, yet strike toward the transcendental.
