I don t believe that the jumpin kangaroo swum all the way from Noah s ark to the island of Australia, or that every sort of a man descended from Shem, Ham, and Japhet; but I do believe that nature furnishes her own restorers, and that all these weeds that follow the crops come up without seed just as natural as original sin follows the human family. The first year after the war a new kind of clover came up all over the land and covered it like a new carpet, and nobody ever found out where it come from or how it got here. Some said the Yankee cavalry brought it in their oats, and some said it was blown here...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
