Brand New Book ***** Print on Demand *****.Excerpt from Felton, Rau Sibley s Miscellanea: Containing Valuable Hints on Coach Painting and Varnishing In presenting this little work to those with whom we may have business relations, our object is to put in their possession a book which will be convenient for reference, and contain many valuable hints in regard to coach painting, as, from our own experience, and the authorities from which it emanates, we think that it may be of material assistance in many cases. Since the issue of our first edition of the Miscellanea in 1870, we have received so many compliments from our friends and patrons in various sections of the country, and as we are requested frequently to send a copy, we are induced to issue our second edition as a compliment to our friends, and the trade in general; also, as a pleasant medium of keeping up our relation with the trade so satisfactory in the past. We have added a number of hints on painting in this little work in addition to those of the previous number of 1870. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
