Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This three-act play exploits youth radicalism in exploring the course and outcome of a brand of idealism which disregards the settled order in the pursuit of a social change objective. The great ruler of Umudimkpa, a land of warriors, has just passed away. He leaves behind a great legacy, but his cabinet of high chiefs is riven with differences in commitment to his reform programme which abolished slave killing all through the kingdom. His son, Ifediba, a very young man, receives the coded call to return post-haste from his hunting fields, a royal reserve where as crown prince he reigns in wait. The dramatic clash of vision is followed by a total breakdown in communication. Ifediba, feeling let down, turns hostile and resolves to shake up the revered cabinet of high chiefs, right after his coronation. But the elders...
