The Digging Deeper series is designed to meet the needs of students today who are looking for spiritual depth. Created with the needs of busy youth workers in mind, each session comes with guides for just about every age and setting---middle school, younger high school, older high school, college, a coffee house setting, and a talk, as well as a guided personal study for the leader. As each study digs into a book of the Bible, your students will spend time deep in God's Word on their own and will share eye-opening revelations with each other during the interactive discussions. Your students will walk away from each study with a greater sense of what it means to follow Christ in their everyday lives, and a greater appreciation for God's Word. Includes CD-ROM.
