Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

It explores the chakras, new techniques for healing, and realistic practices for developing intuition and honing guidance. It shows how the soul incarnates and how to use the etheric template for physical healing. It introduces an innovative approach to clearing negative beliefs and dark consciousness. *The Whole You* guides you to awareness of your own energy fields for healing, self-realization and enlightenment. This ground-breaking book provides a template. Through explanations and examples, it simplifies esoteric information. Based on thousands of peoples experiences, the information is grounded and comprehensive. Exercises and meditations help you experience your own subtle fields.
