Insider Secrets To Find, Interview and Get A Job Nearly everyone has had to look and interview for a job at some time in their lives. Whether you are unemployed or employed and want to find a better job, a job search can be a difficult and emotional challenge. It can be full of rejection and cause a loss of confidence. It can grind you down and wear you out. It can leave you feeling worthless and unappreciated. This even happens to high level executives. It doesn't have to be like that. Most of it is because job candidates don't know what an employer really wants. They don't know what to bring to a job search or an interview. That's because most people have never been on the other side of the fence. They have never interviewed, hired and then managed the people they hire - which is exactly what employers and hiring managers do. That is the critical disconnect between the employer and the job candidate. Get Hired,...
