We live in the city of San Marcos, California. Our class is a very fun place to be. When we have parties we all have fun. We really like the class, there is always music playing. Our teacher s name is Mr. Chapman, we are in room 222. We are nice people. The class worked a lot on these pieces of writing. They are all great stories. They are all funny, cool, and sometimes sad, but we hope they really make you think. We have been working on themes and these were the pieces of writing we were most proud of. They are all good and all the students put a lot of work into them. We love to write stories. We have a class that has computers for each person. Thank you for reading the book that the whole class made. The class book is awesome!.
