Brand New Book ***** Print on Demand *****.Excerpt from Rambles in Sweden and Gottland: With Etchings by the Way-Side Dear and Worthy Reader, In the mental refreshment we take, I fancy there is no little side-dish or snack more easy of digestion, if not more generally palatable, than a short, pleasant, chatty letter. Occasionally our appetites are doubtless in tune to do justice to the more solid joint, or profound ragout of authorship, but at times we feel inclined for lighter diet; to put a luncheon in our pocket, and enjoy a solitary picnic on the cliff or in the hay-field, when the fresh air and exercise amply compensate for the absence of the sauce piquante in our hastily though heartily eaten fare, Letter-writing by post, except to order a coat or scrip, or announce the death of an uncle, or arrival of the little stranger, thereby making an average of the thing, - is all but exploded. Postage is too cheap to make letters worth opening. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
