Brand New Book ***** Print on Demand *****.Excerpt from Permanent Catalog, Illustrating Describing Vitreous China Sanitary Ware In this catalog will be found many new and worthy ideas in design and construction. The fixtures illustrated and described in these pages represent the best skill of the potter s art in sanitary ware. The merit of our Vitreous China Lavatories, Closets and other Sanitary Earthenware Products lies in the correctness of design from the standpoint of the sanitary engineer, in the strength and solidity of their construction, in the grace of their outlines and in the highly perfected methods and process of their manufacture. We stand back of our product with every reasonable guarantee; they are unexcelled by any manufactured and their reputation assures for them a life time of service. A Word About Vitreous China Vitreous China or Vitrified Earthenware is not a new product of the potter s art. It has been produced for many years in this country and abroad and applied in the manufacture of the most beautiful and substantial art and table-wares known to the Ceramic Art. Only in recent years, however, has it been successfully demonstrated that the larger pieces required in sanitary wares could be manufactured in a body so very close and impervious to absorption of moisture so as to admit of its being marketed with a degree of economy to put these beautiful goods in the hands of the exacting and critical purchaser. The American Potter was the first to demonstrate his ability to accomplish this desired result, and the Great Western Pottery Company was among the first to bring out a line of these highly scientific and sanitary fixtures of approved design and substantial superiority,...
