Albert Einstein said: Not everything that can be counted counts, and not everything that counts can be counted. The book Have You Hugged an Elephant Today is all about the journey and NOT the outcome. The journey takes us on an adventure to Thailand and back to Israel. Along the way, modern technology meets love, community, family, leadership, emotional intelligence and happiness and of course, a charming elephant named Pila. The book is geared for all humanity, for we all need to be happy. Adults should read the story with their children and through the process, it will enhance their own Happiness and outlook on life. Much like: The Little Prince by Antoine de Saint-Exupery and The Giving Tree by Shel Silverstein, the book delivers deep philosophical concepts in a bright, humorous and comprehensible manner. A great gift for parents, kids, colleagues, students, teachers, family, friends and above all-enemies frankly, anybody who wants to be Happy- which is all of us- isn't it For more information visit: www.CaptainHappiness.com This item ships from La Vergne, TN.
