The true purpose of this book is to share with you my experiences on my way to success. That means sharing the good, bad and the ugly, not just sharing the things I am most comfortable with discussing. I truly believe that exploring and discussing my mistakes, poor choices, and lack of planning as it relates to life's circumstances and how we can bounce back from all of life's obstacle and roadblocks. Ultimately, we have to own up to the mistakes of our past in order to put them behind us and move on. Most of all, in the book we will discuss the importance of properly planning for success and some possible strategies of getting there. Some may wonder why I tell so much about my life in this book, but my book does not even compare to the content of the Bible. The real question is what would it be like for all of us if the characters in the Bible had not or refused to share their mistakes or even the good for that matter. The answer is, we would simply be lost with no guidance on how we should and should not live our lives. I think we all have a duty to testify, to share the good and the bad about our lives as we embark on our journey to success. Let's not fool people into believing that we came straight from the womb and into success, without any challenges along the way. You just may spare someone of one less headache on his or her path to success. I hope you enjoy my book and I wish all of you God speed...
