

Preaching: A Guidebook for Beginners (Paperback)

By Allan Chapple

Latimer Trust, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Where do you start on writing a sermon? Unless beginners have been exposed to good models of preaching, they are often unsure about what to do and how to do it. This book is not meant to cover every aspect of preaching. It is a manual for beginners, drawing on the author's many years experience both in training and in ministry. Starting from the underlying principles, this book goes on to analyse the process of preaching (discovering and digesting, designing, defining and delivering) and then ways of assessing progress. Each chapter begins with a selection of quotations - sometimes amusing, always thought-provoking, which help engage the reader in the issues. Many otherwise good books on preaching concentrate on spelling out the principles, wrongly assuming that the practice will then take care of itself. This is not just a textbook on the theory, but a guidebook that gives plenty of detail about the practice as well. By the time you finish it you should be well on the way to behaving as every preacher should, instinctively reaching...
