Tomorrows End (Paperback)

By Assistant Professor of Pulmonary and Critical Care Medicine and Medical Ethics and Humanities Samuel

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.IT S COMING! WE HAVE TO GO!! A runaway planet is on a direct collision course with earth, threatening to reduce it to nothing more than dust and pebbles. It s too big to deflect and too solid to destroy. We can t avoid it and we can t survive it. The only hope for mankind is to not be here when it hits. The only saving grace is that the destruction will not occur for two hundred and thirty years. Can the people of the world set aside their egos and petty differences, not to mention centuries old distrusts and hatreds, and work together to find a new home planet and develop a way to get there before it s too late? If not then it s not just the earth that will be destroyed, but the human race as well. Does another planet that could support human life exist? Is faster than light travel which could get us there possible? Will our intelligence and spirit of sacrifice save us? Or will our blind adherence to self-interest...
