Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

FOCUS ON WRITING 1

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Focus on Writing 1, Natasha Haugnes, Focus on Writing is an academic writing program that provides students with essential tools to master not only the key steps in the writing process, but also the grammatical structures, lexical knowledge, and rhetorical modes essential for academic writing. This five-level series progresses with students as they grow in confidence and ability from sentence level (Book 1) through paragraphs (Books 1-3) and essays (Books 3-5). Each unit leads writers step-by-step through the process of prewriting, writing a first draft, revising, and editing before producing a final draft. Not only do students write an entire paragraph or essay in each unit, they are also given plenty of practice at the sentence and word levels. Features: * Each unit teaches students how to use one or more common organizational structures: narrative, description, opinion, persuasion, compare-contrast, problem-solution, and cause-effect. * High-interest readings and a choice of writing assignments provide a springboard for students' writing. * Grammar presentation and practice correlated to Focus on Grammar make the connection between grammar and writing clear. * Building Word Knowledge mini-lessons and exercises teach students' how to use word forms, collocations, idioms, compounds, descriptive details, phrasal verbs and other types of vocabulary in their writing. * Revision and Editing checklists for each writing assignment help students rewrite and polish their first drafts. *Online Teacher's Manuals contain model lesson plans, unit overviews, timed writing assignments, authentic student models, and answer keys.
