Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Coast Country of Texas The purpose of this little book is to truthfully describe the Coast Country of Texas, a region with respect to which most people outside of that great commonwealth are singularly uninformed. The object is not to magnify its advantages nor to hide any of its disadvantages. If the author has anywhere erred it has not been through an intention to deceive nor a want of honest effort to arrive at the truth. He personally visited all portions of the region, met and was aided by representative and intelligent citizens, to whom he hereby makes acknowledgment, and investigated the capability of the soil, its adaptability to the crops mentioned, the heatfulness of the region, the matter of water supply, the experience of old and new settlers, and everything which could contribute to the enlightenment of prospective settlers. The fertility of the soil he knew of, but he did not know how charming the landscape was, how the rolling prairie was diversified by abundant woodland and enriched by many clear streams. The...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
