Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Memoir of Edwin Ferry Johnson: Civil Engineer The Johnsons settled in this country early in the seventeenth century, in the vicinity of Andover, Massachusetts. Timothy Johnson, born in 1677, was owner of the largest property in that town, and was a captain of mounted men. Benjamin Johnson, son of Asa Johnson, and grandson of the above, was born in 1744. He was an officer in the War of Independence, and served under General Stark at Bennington, and in several other engagements. His sister married Mr. Franklyn, and her daughter, Maria Franklyn, was the first wife of Governor De Witt Clinton. Another daughter married Genet, the French Minister to the United States. Benjamin Johnson married Elizabeth Boardman. His son, John Johnson, was born December 2, 1771. John Johnson married Rachel Ferry, of Granby, Massachusetts, March 3, 1799. His son, Edwin Ferry Johnson, was born May 23, 1803. Edwin Ferry Johnson married Charlotte Shaler, of Middletown, Connecticut, September 7, 1830. The ancestors of the Ferry family were Huguenots. Three brothers came to America between 1650 and 1675. Charles Ferry settled in Springfield, Massachusetts. His son Noah, born in 1712, settled in Granby, in the same State. Daniel, the second son of Noah, was born in 1742. His daughter, Rachel Ferry, married John Johnson in 1799. The Ferry family in Michigan are the descendants of W. M. Ferry, who died December 30, 1867, and who was the son of Noah Ferry, the brother of Daniel Ferry, the father of Mrs. John Johnson. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
