Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from La Question Penale: Au Point de Vue Ethique Quand un homme en offense un autre, quand par exemple un individu vigoureux et fort frappe quelqu'un de faible, le témoin de cette offense, s'il se place au point de vue moral, éprouve une sensation, qui le pousse à agir doublement. En premier lieu, il veut défendre l'offense, en second lieu, ramener l'offenseur à la raison. Ces deux besoins dérivent d'une même source morale: le respect de la vie et de la dignité d'autrui qui, psychologiquement, repose sur le sentiment de pitié ou de compassion. J'ai pitié de l'être humain soumis à une souffrance psychique et physique; la souffrance psychique, plus ou moins consciente, consiste en ce que, en sa personne, une atteinte a été portée à la dignité humaine. Mais la violation extérieure de la dignité humaine dans la personne de l'offense se trouve infailliblement liée à la chute intérieure de cette même dignité dans l'offenseur: et l'une et l'autre exigent une réhabilitation. Comme le sentiment psychologique, relatif à l'offense, diffère essentiellement de par sa nature du sentiment que l'offenseur éveille en nous - le premier étant la vraie pitié, tandis que dans le second l'indignation morale prédomine - il est de rigueur, afin que cette indignation garde son caractère moral, qu'elle demeure en tout et toujours équitable vis-à-vis de l'offenseur, et qu'elle ne perde jamais de vue les droits de celui-ci, si opposés que soient ces deux droits respectifs.
