Issues with self-esteem, and conversely positive self-image, can often be attributed to early childhood experiences. Thus, promoting self-confidence and self-appreciation, and a positive attitude toward the self during the early years of life is of supreme importance. Read the Positive Affirmations for Little Boys: The ABC Book of Rhymes again and again with your son, grandson, nephew or favorite godchild, and enhance your favorite little boy s self-image and promote his path to a bright and healthy emotional future. Additionally, this little children s book also contributes to children s intellectual growth. Numerous studies show that children that are engaged in reading activities early, even before preschool, are bound to do better in all levels of education. Research also shows that learning with the help of rhymes enhances phonetic awareness in children. This means that children that are exposed to rhymes gain the ability to break words into smaller parts, an aptitude that augments spelling, reading, and writing skills. Is there a special little girl in your life? The Positive Affirmations for Little Girls: The ABC Book of Rhymes is available on Amazon. //.
