Do you feel overwhelmed by the number of objects that have accumulated in your house over the years? Well, you re not alone. We all gather clutter to some extent, but it s what we do about it that counts. If you find yourself with a clutter problem and want to reclaim your home or garage, this is the book for you. Clutter isn t just displeasing to the eye; it can start to affect your emotional wellbeing and can even have a negative effect on your physical health, especially if you suffer from allergies or often find your house infested with pests. Therefore, it is in the interests of both you and your family to declutter your home and, in turn, declutter your life. This book tells you everything you need to know about how to start tackling that clutter, from why you should declutter your home to how to approach the task and what to do with your clutter once you ve decided to get rid of it. It will advise you on how to make the most of your space, how to maintain order once you ve achieved it, and how to make sure you never find yourself in a clutter-filled nightmare ever again. In this book you will learn: -Why You Should Declutter Now -Where To Start Decluttering -What You Can Do With What You Don t Need -How To Create More Space -How To Maintain Order -How To Declutter In Just Five Minutes -How To Declutter Organize Around Children Full of practical advice and useful tips, this book is your number one guide to clutter...
