CHAINS OF FOLLY

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 173 x 137 mm. Language: English . Brand New. That Nelda Roundheels had been murdered would have been of little interest to anyone except that her body turned up in the bishop of Winchester s bedchamber with a letter to the bishop, from the king s most important enemy, rolled up in her breastband. The bishop and his knight, Sir Bellamy of Itchen, realize immediately that the purpose of putting the body in Winchester s bedchamber is to embarrass and discredit the bishop. And the reason for this attack on Winchester is his calling of a convocation to chastise the king for acting high-handedly against the bishop of Salisbury. Had the king himself ordered this outrage? Had the king s favorite, Waleran de Meulan, ordered it? Unfortunately the answer is not so simple to find; there are many other noblemen who want the king s favor and might attack Winchester to get it. To save Winchester s reputation it is urgently necessary to discover who killed the woman and who placed her in Winchester s bedchamber. Bell, to his mingled joy and distress, is ordered to ask Magdalene la Batarde, whoremistress of the Old Priory Guesthouse, once his lover but now estranged, to help him solve the mystery.
