Penguin UK, 2014. Audio Visual. Book Condition: New. 1. 0 x 0 cm. In his early thirties, Stephen Fry - writer, comedian, star of stage and screen - had, as they say, 'made it'. What could possibly go wrong? As the 80s drew to a close, he discovered a most enjoyable way to burn the candle at both ends, and took to excess like a duck to breadcrumbs. Writing and recording by day, and haunting a never ending series of celebrity parties, drinking dens, and poker games by night, he fooled all those except the very closest to him. He was - to all intents and purposes - a high functioning addict - he was so busy, so distracted by the high life, that he could hardly see the inevitable, headlong tumble that must surely follow . . . Containing raw, electric extracts from his diaries of the time, More Fool Me is a brilliant, eloquent account by a man driven to create and to entertain - revealing a side to him he has long kept hidden. 'Oh dear I am an arse. I expect there'll be what I believe is called an 'intervention' soon. I keep picturing it. All my friends bearing down on me and me denying everything until my pockets are emptied. Oh the shame.'. Audio Visual.
