I know first hand how it feels to be over weight. I have struggled with my weight since middle school. Some of us are genetically born with fat cells. Which means we will always have to watch our food intake. I made up in my mind, heart and soul that I want to live a long fruitful life. No weight loss journey is easy. Take it 1 day and 1 pound off at a time. It s no tea, pill, or drink that can keep the weight off once you lose it. You have to change you lifestyle and eating habits to maintain your weight loss.
